## Israel, Legitimacy and Human Rights: An Interview with Professor Gerald Steinberg of NGO Monitor March 16, 2011

While many organizations in the Jewish world have expressed concern about on-going efforts to delegitimize the State of Israel, one group which has been at the forefront of this effort to fight the demonization of the Jewish State is NGO Monitor. In this interview, Professor Gerald Steinberg, President of NGO Monitor and a faculty member of the Political Studies Department at Bar Ilan University, discusses how his organization is responding to this threat and offers his opinion on some of the ways in which certain international human rights NGO's are potentially giving a veneer of respectability to efforts aimed at undermining the legitimacy of Israel.
